## JET CAR ジェット車

**TIMES: 10:55 • 15:10**

Things are about to get extremely loud! Martin Hill is the man crazy enough to strap himself into the hot seat next to the jet engine. If you've never seen FireForce3 before, you're in for a treat! And if you have seen FireForce3 before, you're still in for a treat!

But don't be one of those numpties that gets dodgy videos whilst covering your ears, grab some ear protection from the shop and get a TikTok worthy video!

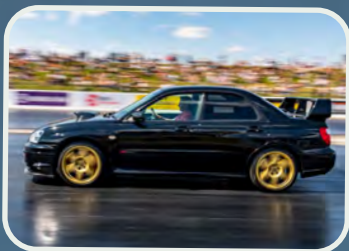

## RUN WHAT YA BRUNG

さあ、レースしよう!

**TIMES: 09:45 - 17:00 • JAPANESE VEHICLES ONLY**

The Santa Pod dragstrip proves that Japanese machines aren't just for drifting but are capable of some seriously quick runs in a straight-line. For just £40 for 3 runs, see what your ride can do. Head to [www.etslips.co.uk](http://www.etslips.co.uk) to find your time.

**A crash helmet is mandatory for all participants!**

## DRAG KARTS

### ドラッグカート

These motorbike engined drag karts are sketchy, wild and unlikely to go in a straight line but are brilliant to watch. Running the quarter mile in under 10 seconds, these wacky machines are not to be underestimated!

## OIL COOLED OUTLAWS

### オイルクーラーアウトロー

**TIMES: 09:30 • 10:40  
13:30 • 14:45 • 16:30**

Repping the bike contingency of Japanese machinery, these invitational bikes are quick! Heads up racing on two wheels with added boost to make this close two wheeled racing at its best.

## TAKONA

Takona is a clothing brand and community built around cars, conversation, and mental health.

It starts with a simple idea. People come together through cars all the time, but rarely talk about what is actually going on in their lives. Takona uses that shared interest as a way to open the door to more real conversations.

Head over to the Takona stand in Trade Area D where you can pick up some merch or just look at the cars on display.

## LBWK LIBERTY WALK

Liberty Walk Europe returns for the second year with their very own Pod Shop takeover.

Located in The Garage side of the shop, LBWK merchandise, models and more is available to buy so make sure you have your spending money ready! Then visit their display stand outside opposite for a very exciting car unveiling.
